

# The R66T Academy – GLOBAL COACHING QUALIFICATIONS

## FAQ's

### **Why should I complete the certifications and Diplomas?**

These courses certify you as a specialised coach. All certificates and Diploma's are educational qualifications which you can use for all your future endeavours.

### **What is the point of difference of the courses?**

The biggest point of difference is that these courses not just talk about the technical aspects of the game of cricket but also coach/teach you how to use these aspects in the most effective way; understanding that all players are different.

We will use your knowledge, experience and observation skills in order to assist you to become a more complete coach. You will learn to be able to communicate with players with varying skill levels and different learning styles.

Coaching is an incredibly selfless act; it is about the player and their development and success therefore it is about you becoming an effective problem creator (not a teller) and allowing your players to become effective problem solvers.

### **Are these qualifications recognized? And by whom?**

R66T Academy has been appointed as a licensed centre of Play Sports Academy. Play Sports Academy offers Global Qualifications and Sports Programs to sports professionals and enthusiasts across the globe in association with Internationally recognised bodies and institutions.
